

## Rewriting and defining child education at Sunshine World

Sunshine World, is one of the finest play school in Ludhiana, with a large, green, serene campus is nurtured by one of the most respected school chains 'Child Education Society'. It's a pan -India organization with an illustrious 75-year heritage, running 27 institutions under the Bal Bharati Public School. Sunshine, a campus that gives your child the freedom to explore their interest and talent at their open-air amphitheatre, activity rooms, gym, splash pool, art & craft room, dance room and a sand pit zone. It has well-ventilated and spacious smart classrooms that are full of natural light, AC environment and child-friendly furniture. A campus where your child is never alone. They keep an eye on them with their 24X7 electronic security surveillance. The right abode for little munchkins to explore, discover, grow with values and knowledge. It also inculcates social skills among the tots along with visual learning experiences. Sunshine World believes that learning lies beyond classrooms and is based on real-life experiences.

The goal here is always to bring out the best in toddlers and provide excellent results to their guardians. There is no limit to creativity here and we make sure that the ingenious faucet never goes unattended. New and ever-evolving concepts keep the grey matter fresh. Hands-on-activities keep the children glued to their spots. They at Sunshine, believe in experiential learning and it sure does come with amazing benefits. The overall development enhances as children experience never-occurred concepts. Fine and gross motor skills improve with mental agility being boosted as a part and parcel of the pedagogy. The prime objective of Sunshine World is to provide creative spaces to every child and allow for learning through exploration and discovery. The school programme envisages visual learning experiences to reinforce learning outcomes and focuses on creating a strong foundation and love for learning. A wide plethora of activities are integrated to promote intellectual, motor, social and aesthetic skills. A balance between indoor and

outdoor activities is ensured. The myriad hues of such a wide canvas of programs and activities will create joyful opportunities for taking little steps towards great achievements.

A team of professional and compassionate staff members fosters to the individual needs of every child for overall development and commits to give the best to children under their care. The team is trained to focus on early years learning framework based on the guiding principles of 'becoming', 'belonging' and 'being' which makes Sunshine World stand out as a school with a difference. Sunshine World is one of the best 'home away from home'.

Let your child step onto a fabulous journey of learning with Sunshine World.
